ECTS	6	Διαλέξεις / εβδομάδα	3	Εργαστήρια / εβδομάδα	0
Στόχος Μαθήματος	<p>Students will learn and practice elementary-pre-intermediate English language structures and functions and acquire knowledge in order to enable themselves to communicate in the environment of Automobile Industry. They will develop the vocabulary, language and skills will need to understand the industry, and apply this knowledge to practical situations such as communicating with colleagues, customers and business partners in the automotive industry. Students will be provided with the language, information, and skills they need for a career in this industry as well. They will develop basic skills in listening and be exposed to a variety of situations and accents, from native and non-native English speakers. Activities include dialogues, presentations and interviews. Students will also develop skills in speaking, reading and writing in the associated language. In this course students will progress through the A1 level of the Common European Framework for Language Learning; they are expected to be close to functioning at the A2 (Waystage) by the end of the course.</p>				
Μαθησιακά Αποτελέσματα	<p>Upon completing the course students are expected to be able to:</p> <ul style="list-style-type: none"> <li>• Demonstrate understanding of basic and professional vocabulary used in social interchanges and at work such as dealing with a car manufacturer, a supplier, a car dealership, a marketing agency, repairs and maintenance, as well as safety.</li> <li>• Ask and answer questions using basic tenses: simple present, past and future as well as present continuous so as to communicate in real work situations.</li> <li>• Respond appropriately to basic spoken &amp; written English communication.</li> <li>• Find specific information by skimming a simplified text.</li> <li>• Read elementary-level texts and correctly answer comprehension and detail questions.</li> <li>• Write guided dialogues/letters and paragraphs about pictures using specified vocabulary &amp; verb tense always relating to topics and skills in purchasing, sales, administration, design and production.</li> </ul>				

	<ul style="list-style-type: none"> <li>Get to understand facts, figures, quotations and specialist terminology needed for the job.</li> </ul>
