Other Activities (Services and contribution to the College and Community)	
Caritas Europa and Caritas Cyprus - External Associate	
<p>Europa actively contributes to improving the quality of life of people experiencing poverty and to strengthening social cohesion through lobbying for a social, development, humanitarian aid and migration policy framework in Europe which is both needs-based and rights-based. This is achieved through the knowledge and expertise of its member organisations, research, and strategic partnerships with other civil society organisations.</p> <p>My responsibility is to perform researches (that concern Cyprus) and prepare reports, which are being published and are presented to the EU parliament and to governments of the Countries which the research is focused. The reports include studies and statistics from across Europe and specific data which are provided by Caritas members and affiliated organisations that work with poor and vulnerable people.</p>
